Wednesday 15th January

Dear Families,

CGP Revision Books for SATS

As you are aware the children will be receiving revision lessons in the run-up to the SATs tests as part of their class learning. Some children may like to do some extra revision at home. To help with this we are recommending the revision study and question pack detailed below. All these books are from CGP who provide nationally recognised SATs revision books.

As a school we can buy books at a discounted price and are therefore offering parents the opportunity to order these books through school. If you would like to order any books, please complete the form attached and complete the payment online via the ScoPay app or by cash/cheque to the school office.

Please do remember that we would advocate a revision approach of 'little yet often' to avoid children feeling overloaded. We have also set-up a Year 6 revision page of Google classroom which the pupils are able to access using their own school Google logins. This page has been set-up to provide some guidance on areas to focus on. If during any revision work at home your child seems particularly confused please do encourage them to speak to us at school.

This year we would suggest the pupils use the **Year 6 SATS Essentials: Study & Question Book Bundle - Ages 10-11 (for the 2025 tests)**

This brilliant bundle contains 4 fantastic **Year 6 SATS books**.

- **KS2 English SATS Revision Book - Ages 10-11**
- **KS2 English SATS Question Book - Ages 10-11**
- **KS2 Maths SATS Revision Book - Ages 10-11**
- **KS2 Maths SATS Question Book - Ages 10-11**

The cost to parents for this revision bundle is **£10.00**.

Making a Difference

The bulk order will be placed on Monday 27th January. Any orders not paid for by Friday 24th January will unfortunately not be included in the order.

Parents are able to purchase these books independently but this will be at an increased cost.

Please complete the form below to request your order.

Kind Regards,
Mrs Parker
