

Dear Parents/Guardian,

FOSHJ Sponsored Read Challenge 2024

FOSHJ are delighted to announce the details of this years sponsored read! This will be launched in school by Mrs Griffiths on Monday 19th February and will run until Sun Hill Junior School celebrates World Book Day on Thursday 7th March. We are asking every child to complete a Sponsored Read Challenge Card. The children will also be given a sponsorship form to record and collect their sponsors on. Please find these attached.

The challenges are not just to read as much as possible (which is always encouraged) but to take time to vary what they read, where they read and who with in order to complete the card and raise money to improve our school library.

Why are we fund raising? Our school library is in desperate need of renovating. We need new shelving and furniture to make it a more welcoming space for reading. With ever increasing pressure on school budgets, the money for this project will need to come from extra events supported and run by FOSHJS.

The estimated cost is £3000 and every penny helps get to that target. So whether you sponsor your child for one challenge, a few books or to complete the whole card everything is welcome and the sky's the limit!

Each child that raises funds and records their reading on the challenge card will be presented with a book mark at the end of the event to recognise their efforts. We will then put all returned challenge cards in a hat and pick a winner and runner up from each class for a special prize. There will also be an extra special prize for the class with the most completed challenge cards! All cards and sponsorship forms should be returned by **Thursday 7th March** at the latest.

Good luck and we look forward to seeing the results!
