Lower School Trip

Minstead Study Centre

This week Kingfishers, Robins and Woodpeckers visited Minstead Study Centre in Lyndhurst. As part of their 'Change Makers' project, the children were learning about sustainability, biodiversity and protecting different local ecosystems.

The children enjoyed a carousel of activities including a scavenger hunt, pond dipping and plant tasting. The leaders at the Study Centre also challenged the children to think about how they could make their school more sustainable. We investigated plastic free/ reduced waste pack lunches and biodiversity areas at school.

Students and Staff had a wonderful time on the trip and would like to say a huge THANK YOU to the amazing SHJS Volunteers who joined us on the day.
