

Making a Difference

**Lower School Christmas Production- Costumes**

We are delighted to announce that this year the children of Lower School will be performing altogether for a Christmas production of 'When Sasha Got Swept Up the Chimney', with our first performance penciled in for the Wednesday 11<sup>th</sup> December.

Your child is aware of their allocated role. If this is a speaking part, the appropriate section of the script has been given to your child to start reading and learning.

We would love your support in finding costumes for the children, which are listed below - if you are able to provide anything for another child/character we would be very grateful. If you are struggling to find anything to use as a costume for your child, please let us know as soon as possible so we can make sure everyone looks wonderful on the night! Please ensure your child's costume is named and in school by Wednesday 4<sup>th</sup> December.

Thank you for all your support!

Best wishes from The Lower School Team

Sasha, Milly, Harriet	Plain PJs with shorts and t-shirt underneath
Tom	White shirt (made to look sooty), black cut up trousers and waistcoat, flat cap.
Will	Stripey PJs with shorts and t-shirt underneath
