Dear Parents and Carers

### Registering for the Holiday Activities and Food Programme

This summer, children entitled to benefit-related free school meals (FSM) will need to register with the council ahead of booking with one of the many providers delivering schemes.

Families of those children entitled to benefit-related FSM can register for their unique booking code before the summer scheme dates are released.

After the half-term break, we will be sending home the information about the 150+ schemes that will be running across the county this summer that have funded places for registered children to access with fun activities and a meal for free.

The link to register is included here for your information:

<https://www.hants.gov.uk/socialcareandhealth/childrenandfamilies/connectforcommunities/holidayactivities/register>

The registration process allows the HAF Team to ensure that funded places go to only those eligible for the programme.

Should you need help completing this form or require any information from school please contact the school office at [adminoffice@sunhill-jun.hants.sch.uk](mailto:adminoffice@sunhill-jun.hants.sch.uk)

Many Thanks

The School Office
